1. [REDACTED] BRIEFING Babs, in the office of Representative John Wydler (R., N.Y.), called to confirm the 14 July date for the Congressman and the Director to have breakfast at the Agency. Mr. Wydler will require transportation that day, and I agreed to be in touch with her shortly before the 14 July date to arrange the transportation.

3. [REDACTED] AGENCY VISITS Received a call from Walter Elder, Intelligence Community staff, who advised me that Lt. Col. John C. Fryer, Jr., on the staff of the Office of Policy and Planning (Admiral Dan Murphy's, Department of Defense, new job) in DOD, wished to review files dealing with the organization of the Intelligence Community, probably available in the Coordination and Review Staff Registry. Elder identified these files and a check revealed that some of them are in the Registry. Fryer reviewed two of these during the course of the morning. (See Note to LLM/GLC.)

I explained the problem of access to compartmented information to Roberts. I told him that the problem was one of proliferation of information, but that I would double-check on the classification level of the briefing and be back in touch.
